Dear Paul:

In answer to your October 8 letter on Kenneth Drury, I have received the attached letter from Scout Executive, Ed Weiseth, in a neighboring council. The letter was written by an Oregon State Police Sergeant regarding Mr. Drury. I believe it has also been mailed to you since I received your letter. I have no information beyond what is included in this letter.

If I can assist in any other way, please let me know.

Very sincerely,

Dear Ed;

In response to your telephone inquiry on the below listed subject I have learned the following.

DRURY, KENNETH JAMES

McKenzie Bridge, Oregon
DOB/ 4-9-45, Hgt/ 6'2", Wgt/240,
Hair/ Brown, Eyes/Hazel, wears glasses

Public record in DeChue County indicates that Drury was cited on September 8, 1982, and charged with 2nd degree Sexual Abuse.

The crime occurred on July 31, 1982, at the J-J Youth Ranch near Bend, Oregon.

The crime involved a 16 year old male and consisted of Drury fondling the privates of the boy. The investigation indicated there were other similar occurrences with other boys and included furnishing liquor to minors. Drury on November 10, 1982, pled guilty to the charge and was sentenced to one year formal probation and ten days in jail. I further add that Drury was at no time an employee of the J-J Ranch, but was returning the boy to the Ranch after a Boy Scout outing. Drury was apparently then registered as an adult leader in that council area.

Public record further indicated that Drury's drivers license has been suspended for a DUII conviction and is presently partially reinstated to permit him to drive for employment purposes.

I too am concerned that this individual has now begun appearing at our local council functions and request that you take steps to prevent him from doing so. I also request that you inform the

CONF023121

National Boy Scout Office of this person so that they may be alert for his attempted registration in any Scout unit.

Public record also indicates that on October 4, 1986, Drury was cited by the Grants Pass Police Department and charged with Felony Driving while Suspended, but has not been convicted at this time.

If I can be of further assistance in this matter please feel free to contact me.

Best Regards,

Dear Paul:

The attached letter from First Sergeant Ron Jones of the Oregon State Police documents that James Kenneth Drury sexually abused a 16 year old male at the T-T Youth Ranch near Bend Oregon.

Public record in Deschutes County shows that Drury was cited on September 3, 1982 and charged with second degree sexual abuse. On November 10, 1982 Drury plead guilty to the charge and was sentenced to one year formal probation and ten days in jail.

To the best of my knowledge Mr. Drury is not currently registered with the Boy Scouts of America. Pending any guidance from you to the contrary, I am taking steps to ensure that he does not register through the Crater Lake Council. In addition he will not be permitted to participate further in any Scouting activities.

I recommend that Mr. Drury not be granted registration with the Boy Scouts of America and that proper steps be taken to ensure he does not register in some other part of the country.

The data on Mr. Drury's height, weight, etc. is contained in Sergeant Jones letter. If you need additional information please let me know.

Sincerely,

Edwin A. Weiseth

PERSONAL & CONFIDENTIAL

Dear Jerry:

This is in response to your inquiry concerning the status of Ken Drury. At the present time, we do not have Mr. Drury on our Registration Confidential File. We, therefore, would not refuse registration should an application come to this office.

On the same day your letter was written, we received a telephone call from Council No. 491 indicating that they were concerned about Ken Drury since he had been arrested in November of 1982 for contributing to the delinquency of minors. Apparently, he was sentenced to a one-year probation at that time.

We are getting ready to set up a file and as soon as more information is secured, we will set up a file and refuse registration based on the information which we have. We would like more information either from you or from the other council so that we have a complete file and can substantiate our refusal.

I believe this individual should be kept from Scouting since he has the conviction which I indicated.

If you can send us any information or a Confidential Record Sheet completed (which gives us the personal information needed to identify him), we would appreciate this. Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Paul:

This letter is sent to inquire about the status of Ken Drury, formerly of Klamath Falls, Oregon; and currently from McKenzie Bridge, Oregon. I understand he was convicted of some kind of child abuse or molestation in Klamath Falls, and there was some correspondence. I am not able to find out if he was ever placed on the confidential file. I believe he was or still is on probation from the court.

We keep asking this guy to leave Order of the Arrow and other Scouting events. He seems to have nothing more to do than travel around attaching himself to Scouting. I learned that this month he took part in an Order of the Arrow Section Conclave at Salem as a cook.

Thanking you,

Jerry Dempsey
